Lodging Nightly Rates

Winvian Farm is comprised of 18 cottages situated on 113 acres and a master suite located in the Main House. The nightly rate for the off-season would be \$899++ per night/accommodation (based on double occupancy). To view our accommodations, please view our website at: www.winvian.com/cottages

Winter Property Restrictions

Please note, we would absolutely love to host your wedding ceremony on property however due to tent restrictions, we are unable to tent our meadows in the winter months due to the freezing temperatures so we would require your wedding ceremony to be hosted off property. Our On-site Wedding Coordinator would be able to assist you with sourcing a venue for your ceremony. We would also be required to host a maximum of 115 guests during the winter months.
